MERCURIAL POISON

In the most of the most potent of blood poisons, the system is filled with mercury and other poisons, which are not removed from the blood and in a short while in a far more condition than before. The common result is a general debility of the system, and the patient is left in a state of weakness and suffering.

RHEUMATISM

for which A.S. is the most potent of blood poisons, the system is filled with mercury and other poisons, which are not removed from the blood and in a short while in a far more condition than before. The common result is a general debility of the system, and the patient is left in a state of weakness and suffering.

SSS

for which A.S. is the most potent of blood poisons, the system is filled with mercury and other poisons, which are not removed from the blood and in a short while in a far more condition than before. The common result is a general debility of the system, and the patient is left in a state of weakness and suffering.

EAT NO BOLTED FLOUR

DR. JOHN KELLY EXPLAINS WHY WE SHOULD SHUN IT.
Though Now Over Eighty Years of Age, He has More Than Half His Teeth and a Boy's Appetite.

ONE PHILADELPHIC CASE OF DYSPEPSIA

(From The New York Recorder.)
When Dr. V. C. Ellis, a prominent physician, was asked to give an account of his experience with dyspepsia, he said: "I have seen many cases of dyspepsia, and I have found that the most common cause is the use of bolted flour."

Handicapped Weakness

Great Britain has a navy that could compete with any navy in the world. In tonnage and weight of metal, it equals or surpasses all the navies of the world. But it is not simply the size of the fleet that counts, but the quality of the ships and the skill of the crews.

WOMAN'S BETTY NO SECRET.

It is all in the care the woman takes of her system. The system is the most important part of the body, and it is the duty of every woman to take care of it. A healthy system is the foundation of a healthy body.

WINTER'S BECHER.

ARTHUR PETER & CO., Louisville, Ky., General Agents.
On the day of the engagement at Ball's Creek, the Union forces were victorious. The Confederates were driven back, and the Union forces were in possession of the field.

Conservative Surgery

Conservative surgery is a term used to describe a surgical procedure that is designed to preserve as much of the organ as possible. It is often used in the treatment of cancer, where the goal is to remove the tumor while leaving as much of the healthy tissue as possible.

RUPTURE

Rupture is a condition in which a part of the body tears or breaks apart. It can occur in many parts of the body, including the stomach, intestines, and blood vessels. It is often caused by a sudden increase in pressure or by a weakness in the tissue.

IT COSTS TO BE A SWELL

EXPENSES OF A SOCIETY BACHELOR IN NEW YORK.
By Doubling the Price of Everything Bought, You Could Easily Spend Fifteen Thousand Yearly.

THE WAY SOME NEW YORK MEN LIVE

An old New Yorker attempts to tell the story of the life of a bachelor in New York. He describes the expenses of a bachelor, from the cost of food and clothing to the cost of entertainment and travel.

Col. Linn

The following is a copy of the bill introduced in the Legislature during the present session: "That all persons within the jurisdiction of this Commonwealth shall be entitled to the full and equal enjoyment of the rights and privileges of citizens."

Col. George Child, of Arizona

Col. George Child, of Arizona, was Collector of Customs at Nogales under Mr. Harrison. He is not only a collector of customs, but also a collector of the hearts of the women of Arizona.

Highest of all in Leavening Power.—Latest U. S. Gov't Report

Wheat Flour Baking Powder
ABSOLUTELY PURE
The doctrine as delineated by the very men who made it; and they further held that even in cases where it was called on to interfere on the behalf of an American citizen it did not necessarily imply that we were willing to go to war over the matter. For, as Mr. Colburn said, the method and manner of our resistance, whether by simple remonstrance or by war, must be determined by the importance of the particular case and its bearing, near or remote, upon the peace and welfare of our own country.
